Alumni Directory

From the control panel on the left side of your **My Connect Page**, you can access the Alumni Directory.

The Alumni Directory is a catalog of all alumni registered with Wagner Connect. It is a useful tool for alumni trying to reconnect with friends, as well as for students/alumni trying to connect with professionals for internship and job opportunities. The Directory is a searchable database. The following instructions are a guide to using the directory in the most efficient way possible.

ALUMNI DIRECTORY SEARCH INSTRUCTIONS

Enter only the criteria you wish to search for, and click on the search button. From the results, select a personal profile to view. When including first or last name in searches, you can enter an exact name or just the first few letters. Try other spelling variations if the search is unsuccessful. For example, if searching last names beginning with Mac or Mc, try Mac Donald or MacDonald or Mc Donald or McDonald. [More search tips.](#)

Maiden name:	<input type="text"/>	Class of:	<input type="text"/>
Major:	<input type="text"/>	City:	<input type="text"/>

SEARCH 

You can search the Alumni Directory using a variety of criteria including:

- First Name
- Last Name
- Maiden Name
- Graduating Class
- Major
- City
- State
- Or Industry!

Only one piece of information is necessary to complete a search, so if you are looking for someone specific, try entering as much information as you know about them! But, if you're interested in connecting with alumni who studied the same thing as you, or want to jog your memory about those who graduated the same year as you, simply use one field to see all the results associated with your query.

Once you are ready to view your search results, click the button labeled "Search," circled in red above.

The results of your search will show up at the bottom of the search page. Here's an example of a search for a specific person:

2. By Using the Page Navigator: Each page shows 50 alumni that fill the criteria that you searched for. If you would like to see the next 50 alumni listed, simply click on the button labeled “2” to move to the next page. This can also be done at the bottom of the list.
